Submit to the UX Awards 2015

Step 1 - Background & Contact Information

There are 3 steps to submission:

1. The first part of this submission asks for contact information and background about the applicant.

2. The second part asks you to describe the project and submit your all-important pitch document.

3. The last section covers legal terms and payment.

Thanks for submitting to the 2015 UXies!

Public Posting on UX Awards website *

All projects will be posted on the UX Awards website and will be eligible to crowdvoting during the voting period UNLESS this box is unchecked. Note that if this box is unchecked, these submissions will not be eligible for the People's Choice crowdvoting awards.

Note: regardless of this checkbox, all submission materials will be shared with the general public and posted on the UX Awards website IF your project is chosen as a winner.

☐ I agree to post my project on the UXAwards.org website and to be eligible for any crowdvoting awards

Rules of Entry *

"I have read the rules of entry on the SUBMIT page of the UserExperienceAwards.com website and herein, and I certify that I have understood and am adhering to all rules of submission for the 2015 User Experience Awards.

I verify that the information submitted in this application is true and an accurate portrayal of myself, my role, the company, the project and the client, and that the project described was created by myself or my company's team, and is neither stolen nor faked.

I furthermore verify that I have obtained formal, written authorization to submit this project for the purposes of these awards from both the company and client involved (if applicable).

I understand that, if selected as a finalist or a winner, the project, submission documents and all details will be widely publicized and will not remain confidential.

If my submission is selected as a finalist, I agree to submit further details if necessary in a timely manner. I also agree to provide the UX Awards with the pitch materials for the UX Awards to host permanently on the UX Awards website, UX Awards YouTube and UX Awards social media channels. I agree to this document or video being shown on the UserExperienceAwards.com website under my project description.

If my submission is selected as a winner, I agree to create a brief video with full text transcription for project presentation during the Awards IF a submission video was not initially submitted as part of the entry. This video will be played as a representation of the project at the UX Awards event. If I am selected as a winner and I cannot submit a video case study at least one week prior to the Awards event by November 9, 2015, I understand I may need to forfeit my award to another applicant.

If my submission is selected as a winner, I also agree to have at least one representative of the company or the project attend the UXies in New York, NY on November 16, 2015 to receive the Award in person. Travel and accommodation expenses are not compensated. Otherwise, I agree to forfeit my award to another applicant.

I understand that any contact names and emails that were included in this submission will be subscribed to the UX Awards member email list. This list is neither shared nor sold and is used solely to communicate updates about the UX Awards.

I release the User Experience Awards event and contest, its organizers, sponsors, partners, supporters, advisors, hosts and judges from any liability related to my posting this project for submission. Furthermore, I certify that this submission constitutes the only submission for this project for the 2015 UX Awards."

☐ I agree to the terms above
