Which of the below titles could be used to describe the roles of the people who worked on the UX on this project? Choose all that apply

How would you summarize your UX process?

Examples: What kind of research do you perform and incorporate, and who does it? Do you utilize analytics, and if so, where, which and when in the process? Do you consider yourself a Lean UX practitioner? Do you do rapid prototyping? Does your group participate in collaborative team ideation and brainstorming, or is all the work performed by individual contributors? Do you have peer design reviews?

Step 2: Your Project Information!

These responses are what will be used to evaluate your submission.

Submission Title *

Please keep this short and descriptive- a maximum of 8 words, preferably 2-5. This title will be used for UX Awards website for the entry title, as well as in marketing materials, press release, on the trophy, and in the event presentation for all finalists.

Project Summary (15 words or less) *

Maximum 15 words or 140 characters. This is **the most important description of your project** and will be used on the website, at the awards event, and in marketing materials.

0 OF 140 MAX CHARACTERS

Describe your submission in 1-3 paragraphs *

Hint: tell us who, what, when/where, why, and how. Please keep under 2000 characters.

0 OF 2000 MAX CHARACTERS

Why is your submission worthy of a UX Award? *

The key points made here should be reiterated in your case study. How is your entry relevant to the Future of UX? How does it relate to either current or emerging technologies, environments and societal challenges?

YOUR SUBMISSION CASE STUDY *

This is the main document by which your entry will be judged.

Enter the website URL address of your case study, starting with http:// (in video, pdf or web format). Please prepare and post this prior to starting your submission process.

The file must be on a publicly available web URL, such as your website, Slideshare, Vimeo, YouTube, Dropbox, Box, Google Drive, etc. Documents, PDFs and presentations cannot be larger than 20mb or longer than 20 pages or slides. Videos must be no longer than 3 minutes, and preferably 2 minutes, and must include full text transcription.

ONLY 1 CASE STUDY CAN BE SUBMITTED. If you submit a video, you cannot also submit a PDF. Video will be required of all finalists for the UX Awards event and in order to accept an award- even if another file format was submitted for judging.

Optional Public Posting on UX Awards Website for Crowdvoting Awards

By checking this box, your entry will be posted on the UX Awards website, eligible for our three crowdvoting awards, and shared with the general public. If left unchecked, your submission will not be eligible for any crowdvoting awards- only the judged awards. *Note: submission materials will be shared with the general public and posted on the UX Awards website IF your project is chosen as a winner.*

☐ I AGREE TO MY PROJECT BEING POSTED ON THE UXAWARDS.ORG WEBSITE

Rules of Entry *

"I have read the rules of entry on the UserExperienceAwards.com website and and I certify that I have understood and am adhering to all rules of submission for the 2017 User Experience Awards.

I verify that the information submitted in this application is a true, honest and accurate portrayal of myself, my role, the company, the project and the client, and that the project described was created by myself or my company's team, and is neither

stolen nor forged.

I furthermore verify that I have obtained written authorization to submit this project for the purposes of these awards from both the company and client involved (if applicable).

I understand that, if selected as a finalist or a winner, the project, submission documents and project details will be publicized and will not remain confidential.

If my submission is selected as a finalist, I agree to submit further details if necessary in a timely manner. I also agree to provide the UX Awards with the pitch materials for the UX Awards to host permanently on the UX Awards website, UX Awards YouTube and UX Awards social media channels.

If my submission is selected as a winner, I agree to create a brief video with full text transcription for project presentation during the Awards IF a submission video was not initially submitted as part of the entry. This video will be played as a representation of the project at the UX Awards event. If I am selected as a winner and I cannot submit a video case study at least ten days prior to the Awards event on November 8-9 2017. I understand I may need to forfeit my award to another applicant.

If my submission is selected as a winner, I also agree to have at least one representative of the company or the project attend the UX Awards Summit on November 8-9 2017 in Palo Alto, CA to receive the Award in person. Ticket, travel and accommodation expenses are not compensated. Otherwise, I agree to forfeit my award to another applicant.

I understand that any contact names and emails that were included in this submission will be subscribed to the UX Awards member email list. This list is neither shared nor sold and is used solely to communicate updates about the UX Awards.

I release the User Experience Awards event and contest, its organizers, sponsors, partners, supporters, advisors, hosts and judges from any liability related to my posting this project for submission. Furthermore, I certify that this submission constitutes the only submission for this project for the 2017 UX Awards."

☐ I AGREE TO THE TERMS ABOVE FOR THE 2017 UX AWARDS

Thanks for submitting! If you wouldn't mind, please tell us how you heard about the UX Awards.
